Group Descriptions

DivorceCare

DivorceCare sessions meet weekly to help you face the challenges and deal with the hurt and pain of divorce and separation and move toward rebuilding your life. Most people will tell you that separation and divorce are the most painful and stressful experiences they've ever faced. It's a confusing time when you feel isolated and have lots of questions about issues you've never faced before. Let DivorceCare help guide you to recovery.

GriefShare

What is grief? How long will it last? How do you deal with the overwhelming emotions? How do you handle making all the decisions needed? If you or someone close to you is grieving the loss of a friend or relative, GriefShare is a safe place for children, teens and adults to ask questions and find answers that bring healing and restoration. GriefShare begins with a video seminar hosted by an expert in grief recovery, and real -life stories of people who have experienced losses like yours. After the video, there's group time to discuss your loss, the loss of others, and how to handle it. Each session of GriefShare is self-contained, meaning you can begin attending at any time. This is a place where you don't have to have it all together.

Genesis Process Change Group

The Genesis Process combines the latest in brain research, psychology, recovery programs, and Biblical truth to help people discover the causes for and bring healing to, destructive behaviors whether they be a critical spirit or a full-blown drug addiction.

Seven Pillars to Freedom

Seven Pillars groups are designed to provide a safe place to process addiction, build a lifestyle of accountability, and find healing. The workbook helps break denial, bring understanding of sex addiction, limits damage from behavior, and brings sobriety. The instructions and exercises in the workbook create a structure for freedom and provide the biblical truth necessary to build on.

Betrayal and Beyond

A Betrayal & Beyond group will help women whose husbands struggle with sex addiction. Participants learn tools that will help them make wise biblical decisions, set healthy relationship boundaries, and process through their own hurt, shame, trauma, anger, and grief. Group duration is eight to eleven months.

Pure Desire for Women: Eight Pillars to Freedom

The Eight Pillars to Freedom group is designed for women who seek freedom from love or sex addiction. The group process will help participants receive support, guidance, and accountability to work through love or sex addiction in a safe and supportive environment. Group duration is eight to eleven months.
